

അക്ഷര 2018

Greetings to all from the AOEK Kottayam District Centre.

With immense pleasure we would like to inform that Kottayam District Centre is hosting the 49th Annual Sports & Cultural Meet of the Association of Engineers Kerala അക്ഷര 2018 scheduled to be held on 28th, 29th & 30th of December 2018 at one of the most prestigious educational institutions of Central Kerala, C.M.S.College,Kottayam, which is located at the heart of Kottayam town.

*Two hundred years is but a tiny drop in the unceasing flow of cosmic time. On the human scale, however, it amounts to the life span of about ten generations. That is, if the first-ever graduates of the college sent their children to C.M.S College Kottayam, and each succeeding generation did the same, they would have their 10th generation progeny studying here at present. This is only one indication of the antiquity of C.M.S College Kottayam in the history of higher education not just in Kerala, but in India as a whole. Yes, C.M.S College, Kottayam - **The College Cotym** in its original orthographic avatar - was born 200 years ago, in 1817.*

We solicit your wholehearted support and co-operation to make the event a cheerful and memorable experience. We are personally meeting you in the coming months. Also we request you to deliberate about the programme to all engineers, ensure their participation and get their advance registration done at the earliest. For your comfortable stay,we have booked all available rooms in and around Kottayam.

Advance registration forms are available at our website.

*We Welcome you all to the Land of **Lakes** , **Latex** & **Letters** . .*
